**[JOINT PROPOSED] JURY SELECTION
QUESTIONNAIRE**

To Prospective Jurors:

Please complete the following questionnaire to assist the Court and counsel in selecting a jury to serve in the case of *Cisco Systems, Inc., vs. Arista Networks, Inc.*

Please read the instructions on this page carefully and then complete the following questionnaire. Please print your answers clearly in blue or black ink. Do not leave any questions unanswered. Your answers are confidential and they will be seen only by the Judge and the attorneys for this case; your answers will not be shared with any other members of the jury panel. Complete written answers will save the Court, parties, and prospective jurors a great deal of time. If a question asks you to “explain,” you must describe the circumstances or other details pertaining to your answer. You may not have enough room after the question to provide the best answer. The Court encourages you to write in the margins if you need to use the last page of the questionnaire. Complete and detailed answers may avoid further follow-up questions later in the process. Please do not write on the back of any sheet.

It is very important that the answers be yours and yours alone. You must fill out this questionnaire by yourself and without consulting any other person. Please do not discuss the questions or your answers with anyone.

Remember that there are no “right” or “wrong” answers, only honest answers. You must sign this questionnaire, and your answers will have the same effect as a statement made under oath to the Court. Thank you for your time and effort in completing this questionnaire.
